The Annual Community Health Fair/Family Fun Day is scheduled for Saturday June 01, 2024 at Grace Community Church 525 Glenn Avenue, Washington C.H., Ohio.

Screenings will take place in the church as usual but this year participants have the choice of setting their agency table up IN the church OR outside. Registration fee for setting up inside will be \$35 and outside \$25. Inside, the tables will be placed in entryways, hallways or as space allows leaving most of the auditorium free for the Columbus Zoo presentation. **Please note tables this year will be 6' and not 8'**. If you choose to set up outside we recommend bringing a pop-up tent covering. Hours will be 8 am to 12 noon inside and 9 am to noon, outside. Set up inside will be on Friday 5/31/24 after 12:00 noon to 4:00pm. We recommend set up outside Saturday morning 8:00-9:00am. Please note on the registration form if you will be located inside or outside. It is our plan to have everyone setting up outside to be closer to the front of the church this year for improved flow and easier access for those attending. Outside agency tables and activities will be canceled if it rains.

Please note on the registration form if you are willing to provide and item or two to be used by the committee to make up three large coolers to be offered as the door prizes.

We look forward to providing a wonderful health care opportunity for our community. If you wish to participate, please return the enclosed form to Cheryl Royster by May 1, 2024. If you have questions, please call Cheryl at 740-333-2945.

Sincerely,

Community Health Fair / Family Fun Day Committee
